**FROM THE PRESIDENT'S DESK**  
**BY DON VARY KDØHHN**

Hello everyone. Just when it seems like we've taken a step forward, we take two more back. By this, I'm referring to the decision to return to meetings on the 625 machine. It was not a decision that I made lightly, but I felt that the safety of our members took precedence over being able to meet in person. Hopefully that will be able to be changed again soon.

As I announced on the net at the beginning of the month, we lost another member, JD Sinclair, WØAJD, passed away and I know he will be missed by all who knew him. I can say if it wasn't for him, I might not be here in this capacity. When I took my initial Technician test in April of 2009, JD, Bonnie and Fred Miller were my VE team the night I tested.

Well not much else to say, except stay on the cool side of the door.
